If you have any questions you are very welcome to contact NOVA RESEARCH (nova.investigacao [at] unl.pt) for further information.

Do you need extra motivation to come and do research in Portugal? Check this [video!](#)

What can we offer?

NOVA will host a **Masterclass in May 2017** (24-26 May) where potential MSCA IFs applicants will have the chance to travel to Portugal for three days with the following programme:

- Get an introduction to NOVA, Lisbon and Portugal

- Get an introduction to the MSCA IF programme and application;
- Meet your future supervisor at NOVA and research group
- Meet other international researchers working at NOVA
- Work on the project description together with us to ensure an excellent starting point and get relevant input to create as strong an application as possible.

NOVA will cover costs of stay and training of selected applicants. More information about the Masterclass is available [here](#).
