**OBJECT: APPLICATION TO HOST A RESEARCHER
Call for tenders "Marie Sklodowska – Curie actions (MSCA) Individual Fellowship".**

Aspiin, the Special Agency for International and Innovation Activities of Frosinone Chamber of Commerce proposes its candidacy to host a researcher for two years as provided by the notice "Marie Sklodowska - Curie actions (MSCA) Individual Fellowship".

The Special Agency promotes the development of small and medium enterprises in the Province of Frosinone abroad, contributing to the success of Made In Italy on the international market.

Using a wide range of promotional activities such as: training, technical assistance and information, the Agency provides services based on the analysis of specific territorial needs and on the direct knowledge of the enterprises. The agency provides advanced tools to allow the economic system of provincial business to tackle the internationalization challenges. Enterprises are supported in developing a comprehensive understanding of the market. They are accompanied during the first approach to foreign markets and during the entire process of internationalization up to consolidating the position gained.

In order to continue the internationalization activities in a better way, Aspiin requires to host a researcher specializing in economic matters in order to be able to internally manage everything related European and international calls in all areas of interest to the provincial economy.

The Special Agency will undertake to place the candidate within its workforce for the period stated in the notice and the resource will participate in projects promoted by Aspiin, in the manner prescribed by the program.
